## EDUCATION

### Master of Fine Arts in Theatrical Scenic Design

*Illinois State University, Normal, IL*

August 2019

### Bachelor of Science in Theatre Design & Production

*Frostburg State University, Frostburg, MD*

May 2016

## TEACHING EXPERIENCE

### Visiting Professor, Production Manager & Technical Director

*Hamline University, Saint Paul, MN*

Fall 2023- Present

- Oversaw all technical elements of three annual theatre productions and one dance concert, including scenic construction, lighting, sound, and rigging, ensuring safe and professional execution
- Collaborate with faculty, designers, and student crews to translate design concepts into practical, functional technical solutions, enhancing overall production quality
- Manage production and labor budgets and advocate for capital improvements in the theatre with facilities department
- Track expenses and determine cuts to costs that will have the least impact on the quality of productions
- Create and maintain production calendar including student worker schedules in accordance with a busy season and labor constraints
- Engage over 30 students in various areas of technical theatre including scenery construction and painting, light hang and focus, and sound
- Drafted technical drawings, build schedules, and load-in/load-out plans to streamline production processes
- Adapted professional industry practices to suit educational settings, balancing production values with student development goals
- Collaborated with campus departments and external groups on special events and rentals, ensuring technical support and space readiness
- Rebuilt a theater community after COVID-19 shutdown through Community Volunteer Work Days, student meetings, and a general open door policy

### Adjunct Professor, Technical Director

Fall 2022- Spring 2023

*Concordia University, St. Paul*

- Instructor for Stagecraft-a wide scope introduction to technical theatre and Lighting and Sound Design
- Lighting designer and advisor for student lighting designers for Spring Dance Concert
- Advisor for student lighting, sound, and prop designers for four productions
- Technical Director for a four show season
- Supervise student work study and scholarship workers in carpentry, painting, props, and electrics work

### Scenic and Lighting Designer and Technical Director

Fall 2022

*Chaska High School, Chaska, MN*

- Serve as scenic and lighting designer for *Guys and Dolls*
- Supervise student crew in building and painting the set
- Organize technical crew students calendars and schedules to ensure all students and parents understand the full commitment of working on a theatre production

### Properties Shop Supervisor

September 2017-May 2019

*Illinois State University School of Theatre and Dance, Normal, IL*

- Maintain communication between prop shop staff, scenic designer, director, and faculty supervisor
- Build all properties for the season; including welding and advanced carpentry projects
- Design files, operate, and assemble CNC projects as needed
- Create drafting or execute designer drafting for all complex properties
- Mentor eight undergraduate prop masters in how to be properties masters and theatrical leaders
- Create an extensive "How To" guide for new properties workers

### Graduate Assistant

Fall 2016-2019

*Illinois State University, Normal, IL*

- Served as scenic designer for six productions including *Harvey*, *Cosi Fan Tutte*, *The Curious Incident of the Dog in the Night-time*, and *Oedipus*
- Taught young theater majors how to build scenery including safety training, interpreting draftings, and completing theatrical scenery builds

### Art Teacher

October 2020-July 2022

*Vine Academy, Burr Ridge, IL*

- Establish a new art curriculum for a K-12 school with a lasting impact and hundreds of resources
- Foster a positive environment where students are willing to take risks and learn from each other

### Special Interest Community Art Instructor

September 2022- June 2024

*Edina Art Center, Edina, MN*

- Teach art classes to adults and children based upon seasonal holidays
- Develop an Art-on-the-Go Art Cart program that served hundreds of children at city sponsored events
- Built First Saturday Art Lab program from 25 monthly participants to 120 in one year through creative programming, community engagement, and program expansion

## C O U R S E S T A U G H T

### Hamline University

- Technical Theatre, Fall 2023 & 2024

*Fall 2024 course was work-shopped as part of a High Impact Practices Workshop Training*

### Concordia University, Saint Paul

- Stagecraft, Fall 2022
- Lighting and Sound Design, Spring 2023

### Illinois State University

- Introduction to Theatre for Non-Major Students, Spring 2019
- Stagecraft, Fall 2018
- Stagecraft Teaching Assistant, Spring 2017

### Children's Theatre of Western Springs

- High school Tech Theatre, Fall 2019, Spring 2020
- Junior high Tech Theatre, Fall 2019, Spring 2020

## A D V I S I N G A N D M E N T O R I N G

### Advising

- Lindsay Fulton, Hamline University, Flexible Major Curriculum in Technical Theatre, graduating Spring 2026
- Aiden Lewald, Hamline University, Major in Performance, Production and Community, graduating Spring 2026
- Eli Carbonell, Hamline University, Major in Performance, Production and Community, graduating Spring 2027

## RELATED EXPERIENCE

### Stage Manager

*Flint Hills Family Festival, The Ordway*

May 2025

- Stage managed the main performance stage for a five day festival
- Managed 17 acts with a tight timeline, ensuring all sound equipment is properly set up for each performance

## Production Manager

Summer 2024

*Teatro Del Pueblo, Love in a Time of Hate*

- Oversaw Teatro del Pueblo's largest production in the history of their company, a new play with a large company of actors including violence, dance, and original music
- Managed production logistics, including off site build, load-in, technical rehearsals, and load-out, ensuring that all elements were of a high quality
- Lead production and design meetings including nightly post-tech meetings
- Collaborate with Managing Director to follow and adapt budget as needed throughout casting changes and dynamic venue fees
- Follow and enforce IATSE and AEA guidelines

## Overhire draftsperson

October 2022 - February 2023

*GREAT Theatre, St. Cloud, MN*

- Create construction drafting from designer draftings that prioritize safety of built elements for *Legally Blonde* and *Disney's Descendants*
- Liaise with interim technical director to ensure items are built properly with volunteer labor

## Carpenter and Prop Artisan

August 2022-August 2023

*Live Stream Learning Studio, St. Louis Park, MN*

- Build unique scenic elements, properties, and costume props for a children's streaming studio including hats of the Empire State Building and the Chrysler Building

## Technical Director and Resident Scenic Designer

July 2019-September 2020

*Theatre of Western Springs & Children's Theater of Western Springs, Western Springs, IL*

- Either create a scenic design or mentor a volunteer scenic designer for every production in an 8 show season
- Serve as scenic artist for all productions
- Create and manage yearly production calendar for multiple consecutive projects
- Plan and execute yearly budget, reconcile and reallocate funds to meet departmental priorities
- Manage scene shop, paint shop, prop masters, and lighting inventory and timeline
- Create safety protocols involving the scene shop and carpenters including tools and lifts
- Work with volunteers of all skill and experience levels to create the community's best work
- Quickly solve complex time sensitive problems between technicians and departments
- Troubleshoot and assist with lighting and sound as needed

---

## PROFESSIONAL TRAINING

High Impact Practices in Higher Education Workshop

Hamline University, Spring 2024

ECT EOS Programming Certificate, Levels 1, 2, & 3

---

## PROFESSIONAL AFFILIATIONS

United States Institute of Theatre Technology, Northern Boundary Section, Member

United States Institute of Theatre Technology, Member

---

## PRESENTATIONS

Rapid Brainstorming for Problem Solving, Scholarship and Pedagogy Series

Hamline University, Saint Paul, Spring 2025

Summer stock, Unions, and Working in the Twin Cities

Concordia University, Saint Paul, Spring 2024

Design Speed Round

USITT Northern Boundary Conference, Fall 2024

---

## HONORS AND AWARDS

Kennedy Center American College Theatre Festival

First Runner Up, National Award for Scenic Design Excellence for *Oedipus* (by Ellen McLaughlin)

---

## RELATED SKILLS

Active listening, time management, scheduling, budgeting, and clear communication, calendar management. Mentoring student leaders and designers. Carpentry, mig welding, scene painting and faux finishes, set decoration, lighting programming and focus, creative problem solving, presenting to large groups, adaptability, and creativity. Proficient in: Microsoft Office Suite, Google suite, Adobe suite, Vectorworks, & ETC EOS.
